## Wherever Life Takes You, Best Western Is There.®

The bustling town of Pickering lies at the foot of the North Yorkshire Moors, within half an hour's drive of both the coast and York. This makes it an ideal base for a few days break or a longer stay.

Other popular local attractions include the North Yorkshire Moors Railway (used as the Hogwarts Express in the Harry Potter films), Castle Howard and Goathland, the location of the popular 'Heartbeat' TV series.

The charming fishing port of Whitby and lively resort of Scarborough are both a short yet beautiful drive away. Dalby forest is only 15 minutes by car, with both cycling and walking trails including Gruffalo orienteering. If you are looking for a thrilling family day out, Go Ape is within the forest or Flamingo Land is less than 5 miles from the hotel.
